

Moonglow

Holly Cole

It must have been moonglow
Way up in the blue
It must have been moonglow
That led me straight to you

I still hear you sayin'
"Please, hold me fast"
And I start in prayin'
"Oh, Lord, please let this last"

We seem to float right through the air
Heavenly songs seem to come from everywhere

And now when there's moonglow
Way up in the blue
I'll always remember
That moonglow gave me you
That moonglow gave me you

We seem to float right through the air
Heavenly songs seem to come from everywhere

And now when there's moonglow
Way up in the blue
I'll always remember
That moonglow gave me you
I'll always remember
That moonglow gave me you
That moonglow gave me you
That moonglow gave me you
That moonglow gave me you
