

I Bleed

Holy Moses

I don't wanna be alone is that why I'm coming home
But I lie and killing my soul
My heart is broken into pieces of it all
Everywhere I try to go, I find myself nothing to know

I bleed, I bleed, I bleed
I bleed, I bleed, I bleed, I feel it's eating me
I bleed, I bleed, I bleed
I bleed, I bleed, I bleed, I feel it has to be

I prayed to God, I prayed to Satan
I prayed to God, I prayed to God
I prayed to God, I prayed to Satan
I prayed to God, I prayed to God

I bleed, I bleed, I bleed
I bleed, I bleed, I bleed, I feel it's eating me
I bleed, I bleed, I bleed
I bleed, I bleed, I bleed, I feel it has to be

I bleed, I bleed, I bleed
I bleed, I bleed, I bleed
I bleed, I bleed, I bleed
I bleed, I bleed, I bleed

I bleed, I bleed, I bleed
I bleed, I bleed, I bleed
I bleed, I bleed, I bleed
I feel it's eating me

I will never know but I feel you had to go
You broke my heart when I stand with you
But now my chance has passed me by, passed me by
I will ne'er know if you really changed your mind

I bleed, I bleed, I bleed
I bleed, I bleed, I bleed, I feel it's eating me
I bleed, I bleed, I bleed
I bleed, I bleed, I bleed, I feel it has to be

I bleed, I bleed, I bleed
I prayed to God, I prayed to Satan
I bleed, I bleed, I bleed
I prayed to God, I prayed to God

I bleed, I bleed, I bleed
I prayed to God, I prayed to Satan
I bleed, I bleed, I bleed
I feel it's killing me
