

Shady Wit Me

Honey Cocaine

Yeah uh
I chase money in the fast lane
Always ready ballin when the cash came
Now he tryna holla but I'm live fame
Cuz ain't nobody finna treat my life name
Fuck boss shit I ain't never lie
Still on the game bitch I ain't never hide
416 on the game till I die
(king with the money and it came wit a price)
I keep it too real on these hoes
Got a deal on the low
And I'm still in control
Listen coz I ain't feeling you doe
Imma go set or go
Get her killin the flow
Without a school and I'm still on the road
But I'm cool coz I'm still getting dope
Competing with me is a stretch for these
With the west coz it's cold
I'm just destined for hoe

Tell these hoes get away from me
Walk through in the wave at me
Your sad coz yo bitch angry
I'm getting money ain't gotta have shady wit me
I ain't getting shit for free
Coz ain't nobody did shit for me
Ain't no hoe getting rich from me
I'm too real you ain't gotta have shady wit me

Now I'm shining and I make it shady
Well bout time is where the shit is crazy
And stressing 'bout 'em ain't no fucking maybe
I'm in the panic can't no nigga save me
Anything I wanted I done work for it
Coz look at my life
Don't take my work for it
Drop tha shit and throw a hella thought for it
It's get or die motherfucker or imma show for it
Had a dream and achieved that shit
She an undercover fan don't believe that bitch
She be shady all the time nigger leave that bitch
Hear my song while I'm shopping like me that bitch
My team fly homie we dat shit
Charisma calling like I need that shit
I make a roach like I need that hit
Tell her fuck it lets go homie we got diss

Tell these hoes get away from me
Walk through in the wave at me
Your sad coz yo bitch angry
I'm getting money ain't gotta have shady wit me
I ain't getting shit for free
Coz ain't nobody did shit for me
Ain't no hoe getting rich from me
I'm too real you ain't gotta have shady wit me
