

can't bear to be without you

Honne

I can't bear to be without you
Life just ain't the same without you
Oh, oh

I can't fall asleep without you
Food don't taste the same without you
Oh, oh

I can't bear to be without you
Life just ain't the same without you
Oh, oh

I can't bear to be without you
Life just ain't the same without you
Oh, oh
