

Disappear

Hoobastank

D F C F C D Dsus

D
There's a pain that sleeps inside
C
It sleeps with just one eye
C D Dsus
And awakens the moment that you're near
D
Though I try to look away
C
The pain it still remains
C D Dsus
Only leaving when you're next to me

D C G
Do you know that everytime you're near
B G D Dsus
Everybody else seems far away
D C G
So can you come and make them disappear
B G D Dsus
Make them disappear and we can stay

D
So I stand and look around
C
Distracted by the sounds
C D Dsus
Of everyone and everything I see
D
And I search through every face
C F C
Without a single trace of the person
D Dsus
The person that I need

D C G
Do you know that everytime you're near
B G D
Everybody else seems far away
D C G
So can you come and make them disappear
B G D Dsus
Make them disappear and we can stay

B5 C5
Can you make them disappear?

C5 G5
Make them disappear
