

Heaven Is in the Back Seat of My Cadillac

Hot Chocolate

Heaven's in the back seat of my cadillac -
Let me take you there
Yeah yeah.
Heaven's in the back seat of my cadillac -
Let me take you there
Yeah yeah.

Can't stand it
Can't stand it
Baby
When I'm close to you I wanna touch you
There are people ev'rywhere
People who like to stare

Can't take it Baby
Let's get outta here.

Heaven's in the back seat of my cadillac
...

Let's do it
Let's do it Baby
Let's go for a ride out in the countryside.
Just me and you far from the city lights
That's much too bright for this kinda lovin'.

Heaven's in the back seat of my cadillac
...

Makin' love
Makin' love with you
Is such a beautiful thing to do.
Makin' love
Makin' love with you
Is such a wonderful thing with me and moonlight.

Heaven's in the back seat of my cadillac
...

Let's do it
Let's do it Baby
Let's go for a ride out in the countryside.
There are people ev'rywhere
People who like to stare

Can't take it Baby
Let's get outta here.

Makin' love
Makin' love with you
