

# Comeback of the Century

Hot Hot Heat

Soul to soul  
I'm talking toe to toe  
We're walking eye to eye  
You try to keep me in mind sometimes

One on one  
I'm talking face to face  
I'm walking hand in hand  
You try to keep me in mind sometimes

Comeback of the century  
I can't behave on behalf of them and sink my ferry  
Do what I gotta do, say what I gotta say  
But to me, it's not a comeback  
If they don't call back

Sink or swim  
I'm fighting blow for blow  
We're dancing cheek to cheek  
You're blowing kisses at me sometimes

Comeback of the century  
I can't behave on behalf of them and sink my ferry  
Do what I gotta do, say what I gotta say  
But to me, it's not a comeback  
If they don't call back

Comeback of the century
