

Drunken Third

Hot Water Music

2:30 is lucky its late I'm still thirsty the band is still play
ing we're amped and still waiting lots of talk lots of plans lo
ts of everything (still waiting) lots of people letting politic
s control the scene...and who's listening it's time to take our
place lock ourselves stand together accept the other face load
ourselves we can't break this we're not done yet I can see a s
tand if we learn how to know how to let it go feels good connec
ting with the union all singing full hearted frustrated but bac
ked up by my friends gotta try gotta fight gotta never quit you
r're forgetting why we're here and what we're fighting for and
who's listening LOCK ON
