

Visionary

Hüsker Dü

Panhandle, pedal faster
Playing card, listen, master
Pointed gun, aim to please
No one talking, no one sees
Take a stand and collect
Images and imageless
Think in rhymes every time
Someone was a friend of mine

Visionary, in a cage, Londonderry
Visionary, foggiest notion, visionary
Visionary
Strip away the silver and the gold

Torn up stories in your cage
Never time to be a sage
So sublime
Growing old before your time
