

You're a Soldier

Hüsker Dü

Running around like an insane maniac
Anywhere that you please
Taking advantage of anyone handy
To satisfy your disease

You're a soldier

Going off on a big adventure
You never want it to end
Saving up a million stories
To tell to all your friends

You're a soldier

Knocking over everything that's standing in your way
Can you tell me just how many did you kill today

You're a soldier

Patrolling the world with your little boy face
And a grown up gun that shoots
You got a fresh scrubbed teenage outlook on terror
And a khaki attitude

You're a soldier
