

Stay One More Night

Humble Pie

I always try
To live my life
The way that a man should be

You might say
I try to be so smart
But it's not always what you see

I guess that loosing
Loosing everything
Has got to be everybody's greatest fear

Although I try
I try to tell myself
Sometimes it's so hard to hear

Stay with me
Lay with me
I don't want to lose you
Won't you stay just one more night

Stay with me
Lay with me
Love me tonight
Won't you stay one more night

Stay with me
Help me tonight
Won't you stay just one more night

So stay with me
Lay with me
I don't want to lose you
Won't you stay just one more night

So lay with me
Stay with me
Love me tonight
Won't you stay just one more night

Just stay with me
Lay with me
I don't want to lose you
Won't you stay just one more night

Stay with me

Lay with me

Won't you stay one more night

Please stay with me
Oh
Won't you stay one more night
