### Hunters & Collectors

I got a heavy little number  
I got 42 wheels of pleasure and pain  
I got a heavy little number  
I'm gonna head it on down upon the Alice again  
Widda a paraliddic weapon I canardly miss  
Gonna giddda bricks anudder everlasting kiss  
Hadda spit the dummy do a Jaws of Life job  
Hadda leave a big impression onna paraliddic mob  
Make it a Jaws of Life job
