

Don't Leave Me in the Hospital

Huntingtons

don't leave me in the hospital
i don't wanna be alone
don't leave me in the hospital
i just want to come home
don't leave me here
i can't stand that there's no one
don't leave me in the hospital
this room is such a bore

don't tell me everything is okay (everything is okay)
don't tell me that i have to stay (you're gonna have to stay)
don't tell me just one more thing (just one more thing)
'cause i ain't stayin' here no way

don't leave me in the hospital
this place it stinks so bad
the old man next to me
keeps babblin' like he's mad
don't leave me here
i can't eat this food no more
don't leave me in the hospital
this place is such a bore
