

Heidi Hates Me

Huntingtons

first time i met her was at bible study
it started then, now heidi hates me
she's leavin' the room every time we play a show
and every time she does it, i just wanna know, oh why?

heidi hates me so
heidi hates me so-o-o-o
heidi hates me oh
heidi heidi ho

could it be 'cause i bought your boyfriend's bike
or that it took a year, now it's alright
ya talk bad about the band every chance ya get
and all i wanna know is when you're gonna quit, oh-oh

saw her at the sunshine house
she didn't crack a smile
extended her my hand
but she kept walkin' down the aisle
