

I Don't Wanna Save The World

Huntingtons

i don't wanna be you're friend
i don't wanna see you're band
i don't wanna be like you
i don't wanna sniff some glue no

i don't wanna get a job
i don't wanna be a slob
i don't wanna join you're clan
i don't wanna hold you're hand no

i don't wanna be confined
i don't wanna lose my mind
i don't want a padded cell
i don't wanna got to hell no
