

A Sucker for Your Sound

I Monster

I can't get to sleep tonight
I've been thinking of you all day long
Oh I love it when you make that noise

And I want you like I don't know
Oh boy, I'm a sucker for your sound
And I love it when you're loud,
I'm a sucker for your sound,
You know I'm playing with you now

Lets go for a ride again
Play me like a fun machine
I can feel the pressure building

And I want you like I don't know,
Oh boy I'm a sucker for your sound
And I love it when you're loud,
I'm a sucker for your sound,
You know I'm playing with you now

Oh boy, don't you know,
Oh your not the kind of boy
I bring home to my mother and father
Mother and father

I'm a sucker for your sound
And I love it when your loud
I'm a sucker for your sound,
You know I'm playing with you now
Oh boy I'm a sucker for your sound
And I love it when you're loud,
I'm a sucker for your sound,
I think you're playing with me now

Oh boy you turn me on with your song
Oh boy you turn me on with your song
Oh boy you turn me on with your song
Oh boy you turn me on with your song
