

Checkout Luv

I Monster

Well, she looked down at the floor
When you said that she was beautiful
A checkout girl
From another world
And she said:
Oh, ay, ay, ay, ay, ay, ay, ay

And the conveyer belt
Began to melt in her sunshine
Cause her scent was sweet
In the summer heat
And he said:
Oh, ay, ay, ay, ay, ay, ay, ay

Cause she's a Cinderella girl, oh, oh, oh, oh, oh, oh
An interstellar girl, ah, ah, ah, ah, ah, ah

And she lit up the sky
With a wink of her eye

That she gave you when you said goodbye
To the checkout girl
From another world
And she said:
Oh, ay, ay, ay, ay, ay, ay, ay

Cause she's a Cinderella girl, oh, oh, oh, oh, oh
An interstellar girl, ah, ah, ah, ah, ah

And she said:
Oh, ay, ay, ay, ay, ay, ay, ay
Cause she's a Cinderella girl, oh, oh, oh, oh, oh
An interstellar girl, ah, ah, ah, ah, ah
She's a Cinderella girl, oh, oh, oh, oh, oh
An interstellar girl, ah, ah, ah, ah, ah
