

Early Morning Robert

I Monster

Oh, you do right
I've got a well-trained eye
So many things
So many things to try
When you and I are alone
'Cause you and I are alone
So alone

Are you having fun?
Julie, did you come?
Surely, I feel numb
Tell me what went wrong
Oh, Julie

Wait for the wave
No, it's not this way
It's time
Oh, you're the one
Julie, Julie Ju-Ju-lie

When you and I are alone

'Cause you and I are alone
So alone

Are you having fun?
Julie, did you come?
Surely, I feel numb
Tell me what went wrong
Oh, Julie

When you and I are alone
'Cause you and I are alone
So alone

Are you having fun?
Julie, did you come?
Surely, I feel numb
Tell me what went wrong
Oh, Julie
(oh, Julie)
