

## Magic Man

I Monster

He's lightning quick  
Cobra style  
Scissor kick  
Volatile  
Fists like brick  
Can hammer nails  
Hands like swords  
To chop and impale

Oh Magic Man  
Where are your hands  
Oh Magic Man

Made in Japan

Pressure points  
A deadly touch  
He'll knock you down  
With a finger punch  
His family jewels  
Will disappear  
So he can fight  
Without fear
