

# The Big Bad Wolf

I See Stars

Stop and save your voice girl  
You're the only one that has control, so choose

I don't know what to say to you  
The answer's out there,  
I'm just putting this out there  
That it's your turn here pretending you care

I understand the way you move and the things you do  
If you could just tell the truth maybe I could be with you

Stop and save your voice girl  
You're the only one that has control, so choose  
We are the movies, snap fingers and we're on a floating carpet  
Scoot through the scenes, we are invisible for now

I'm the big bad wolf  
See the pigs, they run in horror  
Don't build your house out of grass  
Or I'll blow you away

Stop and save your voice girl  
You're the only one that has control, so choose

I'm not gonna let you get to my head  
Can you please stop listening?  
I have just stopped listening

I understand the way you move and the things you do  
If you could just tell the truth maybe I could be with you

Only in the movies can you see the creatures in front of us  
There's no stopping them, there's no stopping them

Stop and save your voice girl  
You're the only one that has control, so choose  
We are the movies, snap fingers and we're on a floating carpet  
Scoot through the scenes, we are invisible for now

Cut the tall trees

Whats havocs come to route  
You can't blow down my house  
I've seen your future  
And it falls apart
