

BRAINSIC

Sick in my head
Rock bottom but so high
I'm fighting just to stay alive
I got the devil in my head
Hell at the end of my bed
I'm praying for mercy but she's wishing for my death
Think twice before you talk to me, BRAINSIC
1 shot//2 pills
Take another just to feel
3 years//Fucked up fears
Should be dead but I'm still here

BRAINSIC

Excuse me, I'm so goddamn sick...
Give me that medicine, So I can feel again
Waste Away
Deep down and rotten, Faded and forgotten
Stay Away
Below the bottom, Hanging from my problems
Can you feel it?
Creeping through your veins
Do you feel real yet?
Gonna make you go insane
Don't push me cuz I'm close to the edge
I'm trying not to lose my shit
Don't push me..
I'm fucking giving up
1 shot//2 pills
Take another just to feel
3 years//Fucked up fears
Should be dead but I'm still here
Don't push me cuz I'm close to the edge
I'M TRYING NOT TO LOSE MY SHIT
