

Do your thing but you oughta know
We just make it up as we go
No point in stressing, we're not impressing them anymore
They're so scripted, they're so predictable
Like oh oh

Do your thing but you oughta know
We just make it up as we go
No point in stressing, we're not impressing them anymore
We've unscripted, now we do what we want
Like ah ah

Stuck us in boxes that's where you want us
Cardboard is boring, we brought our matches
Stuck us in boxes that's where you want us
Cardboard is boring, look how it burns

Tell me, do you have a pulse?
Do you have a pulse?
Do you have a p-p-p-pulse?
Tell me, do you even know?
Do you even know?
Do you even kn-kn-kn-know?

Tell me, do you have a pulse?
Do you have a pulse?
Do you have a p-p-p-pulse?
Tell me, do you even know?
Do you even know?
Do you even kn-kn-kn-know?

Do your thing, go numb it down
Try to make them all love you now
You hold your breath like you're second guessing, what you put out
Cross your heart and hope to dilute it down
Like oh oh

Do your thing, go live a lie
Play it nice and go run and hide
Turn down the pulsing, the pulsing
You know you feel inside
Till you burst and finally do what you want
Like ah ah

Stuck us in boxes that's where you want us
Cardboard is boring, we brought our matches
Stuck us in boxes that's where you want us
Cardboard is boring, look how it burns

Tell me, do you have a pulse?
Do you have a pulse?
Do you have a p-p-p-pulse?
Tell me, do you even know?
Do you even know?
Do you even kn-kn-kn-know?

Tell me, do you have a pulse?

Do you have a pulse?
Do you have a p-p-p-pulse?
Tell me, do you even know?
Do you even know?
Do you even kn-kn-kn-know?

Oh-oh-oh
Woah-oh-oh

So tell me, do you have a pulse?
Do you have a pulse?
Do you have a p-p-p-pulse?
Tell me, do you even know?
Do you even know?
Do you even kn-kn-kn-know?

So tell me, do you have a pulse?
Do you have a pulse?
Do you have a p-p-p-pulse?
Tell me, do you even know?
Do you even know?
Do you even kn-kn-kn-know?

Tell me, do you have a pulse?
Do you have a pulse?
Do you have a p-p-p-pulse?
Tell me, do you even know?
Do you even know?
Do you even kn-kn-kn-know?
