

Thirteen

Icon for Hire

I'm not someone I want to be
Felt this way since I was thirteen
Thought I'd gotten better but it was just a phase
Yeah it was just a phase
Yeah it was just a phase

I always end up back at the keys
I play in A minor 'cause it feels like me
Thought I'd gotten better but still can't really play
Yeah still can't really play
Yeah still can't really play

Just keep going
Just keep going
Just keep going
Just keep
Just keep going
Just keep going
Just keep going
Just keep
Just keep going
Just keep going
Just keep going
Just keep
Just keep going
Just keep going
Just keep going
Just keep
