

# Give It to Me

Ida Corr

I drop a sweat, running down my innocence  
Touching me the way you do  
I can't breathe and my heart beats so fast  
Knowing it belongs to you

I'm out of words, it's just my body's talking  
A spoken truth of desire  
My blood is pumping  
And my mind goes crazy  
I'm sacrificed in this fire

'Cause you got me craving so bad  
Just give it to me  
'Cause you got me needing so bad  
Gimme gimme

I can't get you off my mind  
I can't get you off my mind  
I can't get you off my mind  
I can't get you off my mind

Just give it to me  
Ay-yeah

Give it to me  
A-a-a-ay-yeah  
Give it to me  
A-a-a-ay-yeah  
Give it to me  
A-a-a-ay-yeah  
Give it to me  
A-a-a

My body's burning  
But I can't stop shaking  
Fever's got me fooled  
This sweet pain that I don't wanna medicate  
Is only gone when I'm with you

'Cause you got me craving so bad  
Just give it to me  
'Cause you got me needing so bad  
Gimme gimme

I can't get you off my mind  
I can't get you off my mind  
I can't get you off my mind  
I can't get you off my mind

Just give it to me  
A-a-a-ay-yeah

Give it to me  
A-a-a-ay-yeah  
Give it to me  
A-a-a-ay-yeah  
Give it to me

A-a-a-ay-yeah  
Give it to me  
A-a-a-ay
