

## Where Or When

**Idina Menzel**

It seems we've stood and talked like this before  
We looked at each other in the same way then  
But I can't remember where or when

The clothes you're wearing are the clothes you wore  
The smile you are smiling you were smiling then  
But I can't remember where or when

Some things that happened for the first time  
They may be happening again

And so it seems that we have met before  
And laughed before, and loved before

But who knows where or when

Some things that happened for the first time  
They seem to be happening again  
And so it seems that we have met before  
And laughed before, and loved before  
But who knows where or when  
Who knows where where or when
