**F#**

Well the day begins

**F#**

You don't want to live

**C#**

'Cause you can't believe

**F#**

In the one you're with

**C#**

'Cause you know her tricks

**C#sus2**

**C#**

**F#**

And you know her past when she makes a face you just have to laugh

**Asm**

**Asm**

And you feel like such a know-it-all

**Asm/B**

**Asm/B**

When you only want just a tiny girl

**C#**

And you hope she'll sing.

So you turn around

Toward the tiny girls

Who have got no tricks

Who have got no past

Yea that's what you think

And you hope she'll sing

But she sings of greed like a young banshee

And she wants for this and she wants for that

What did you think.
