October revolution
Out to the streets
To fight against the tyranny
In 56' we fought the occupation
The young and old
Against the Communist regime

The sorrow, a so-called liberation The sorrow, a violent domination Sorrow, the humiliation Fifty years, the death of a nation

Poverty for all
But freedom's the exception
The Proletariat, now the
Red Bourgeoisie
The murder, the torture
The terror, the famine
Fifty years under the
Communist regimes

The sorrow, a so-called liberation The sorrow, a violent domination Sorrow, the humiliation Fifty years, the death of a nation

The price of freedom, is worth it to me Fighting A revolution Fighting For human rights The Cheka, the Stazi The human tragedies The casualties of the state Fifty years, a tragic philosophy Fifty years, collective suffering Fifty years, we're the casualties of the state

The sorrow, a so-called liberation The sorrow, a violent domination Sorrow, the humiliation Fifty years, the death of a nation
