

# Needed You

Illenium

I could count them if I want to  
All these years I've wasted on you  
You gave up, I grew up  
I can't help, but wonder

Where would I, where would I be? What would I do?  
If you were, if you were there when I needed you  
Where would I, where would I be? What would I do?  
If you were, if you were there when I needed you

What would I  
I-I-I, do, I-I-I, do, I-I-I, do, I-I-I  
Needed you  
I-I-I, do, I-I-I, do, I-I-I, do  
Needed you

What would I

I could count them if I want to  
All these years I've wasted on you  
You gave up, I grew up  
I can't help, but wonder

Where would I, where would I be? What would I do?  
If you were, if you were there when I needed you  
Where would I, where would I be? What would I do?  
If you were, if you were there when I needed you

What would I  
I-I-I, do, I-I-I, do, I-I-I, do, I-I-I  
Needed you  
I-I-I, do, I-I-I, do, I-I-I, do  
Needed you

What would I
