

Have a Little Faith in Me

Ilse DeLange

When the road gets dark and you can no longer see
Just let my love throw a spark, baby
And have a little faith in me
And when the tears you cry are all you can believe
Just give these loving arms a try, baby
And have a little faith in me

Have a little faith in me (4x)

When your secret heart
cannot speak so easily
Come here darlin', and from a whisper start
Have a little faith in me
And when your back's against the wall
Just turn around, and you will see
I will catch you, I will catch your fall
So have a little faith in me

Have a little faith in me (4x)

I've been loving you
For such a long, long time, baby
Expect nothing in return,
Just for you to have a little faith in me
You know time, time is our friend
For you and me, yeah, there is no end
All you gotta do is have a little faith in me

Say, I'll hold you up, I'll hold you up
Strength is enough, so have a little faith in me
All you gotta do is have a little faith in me
I said all you gotta do is have a little faith in me
Have a little faith in me
