

# Not Waiting for You

Ilse DeLange

Come with me, catch this ride, if you wanna be  
In this place, in this time, that no one can see  
Where is it that we go, so make up your mind  
Look ahead, you're behind, if you wait to see  
When your mind's free of doubt, what's left to believe  
There's no one that can tell you, so you decide

I've tried, oh I've tried  
I was stuck in this hole  
With my face to the ground  
Love, let me go  
And I'm not waiting for you  
not waiting for you

In your eyes, I can see, what's missing inside  
You get high, not on me, just along for the ride  
It's not easy to ignore you, and your foolish pride

But I'll try, I'll try  
I was stuck in this hole  
with my face to the ground  
Love, let me go  
And I'm not waiting for you  
Not waiting for you

I'll go, 'cause I can't wait and see  
You know, this isn't enough for me  
No show, nowhere to be found  
I'll go  
With my face to the ground  
Love, let me go  
And I'm not waiting for you  
Not waiting for you  
Not waiting  
Not waiting
