

Try Again

Imany

Stop!
try again!
Don't be afraid
to fall apart

Stop!
try again!
I say to myself
to hold on tight

I pray, I swear,
I sweat, I'm only me
I pry, I sight
I shine, I'm at last free
You fight, you fake,
you force, you're not happy
you sing, you forge
You fold, you count on me

Stop!
try again!
Don't be afraid
to fall apart

Stop!
try again!
I say to myself
to hold on tight

I run, I hide
I break, I'm so clumsy
I slide, I crash
I burn, don't run on me
You cling, you cheat
you lie, you're not easy
Don't try to fight
you know you're not happy!

Stop!
try again!
Don't be afraid
to fall apart

Stop!
try again!
I said to myself
to hold on tight

You judge yourself
Don't be so hard
It takes some time,
keep that in mind
I do the same
I know it's hard
it may not always be the case

Stop!

try again!
Don't be afraid
to fall apart

Stop!
try again!
I say to myself
to hold on tight

Stop!
try again!
Don't be afraid
to fall apart

Stop!
try again!
I say to myself
and hold on...
hold on tight

I said stop!
