

## Fallout Theory In Practise

Impaled Nazarene

Silver lights burning eyes  
Ultraviolent hellish cries  
Deep red flashes blistering skies

Fallout theory in practise  
The great mushroom never lies

Roaring thunder cracking earth  
Delightful decay crawl in dirt

Mankind radiated  
Finally annihilated  
Darkness is what remains

Fallout theory in practise  
The grand mushroom my rebirth

Obey the mushroom warlock of hell

Mankind annihilated  
Finally radiated  
Blackness is what prevails
