

# The Serpents Tongue

## Impending Doom

Covered in goats piss.  
Paint your face like a corpse.  
And smell like rotting pigs.  
This is just stupid.

I am a Christian.  
A faithful man of God.  
Come at me.

You will pay for glorifying evil.  
You want to burn a church and rip a Bible.

Black Metal revival.  
God loves you.  
Black Metal revival.  
Jesus died for you.  
Black Metal revival.  
God loves you.  
Black Metal revival.  
Jesus died for you.

Listen to me, you bitter old men.  
You will die and regret the words you've said.  
Satan was a musician and gave you the serpents tongue.  
But the Devil hates you, because you're made in the image of God's holy Son.

Satan hates you, because you're made in the image of God's holy Son.  
Satan hates you, because you're made in the image of God's holy Son.
