

Worldwide Suicide

In Hearts Wake

It's dying from the inside
It's a wildfire lullaby
It's the final kiss goodnight
It's a worldwide suicide

Worldwide suicide
Worldwide suicide

It's dying from the inside
It's a wildfire lullaby
It's the final kiss goodnight
It's a worldwide suicide

Worldwide suicide
It's a worldwide suicide

Shooting dice with your fucking life
Snake eyes coming back to bite
Cashing out in the afterlife
What remains of a parasite

It's a worldwide
It's a worldwide
Suicide
