

Hunting Grounds

In This Moment

I have been sleeping for seven moons, and now I'm awake
I have a hunger deep within me I can't shake
You see, you twist and you turn I let it take ahold of me
When time to hunt has come, it's time for me to feed

We know one of us is going down
So I say we do this anyway
We know one of us is going down
So I say we do this anyway
(One of us is going...)

Down in the darkness
Beneath the light
Meet on the hunting grounds, down
Down in the shadows
Become the night
Meet on the hunting grounds, down
If one of us is going down (if one of us is going down)
I say, let's do this anyway (let's do this anyway)
One of us is going down (one of us is going down)
We do this anyway
On the hunting grounds

I was raised by wolves, taught to fight on to the death
Slowly wear you down to your very last breath
I can hear your heart pound, you don't think I'm a threat
Like a predator, sink my teeth into your neck

We know one of us is going down
Well, I say, let's do this anyway
We know one of us is going down
And I say, let's do this anyway
(One of us is going...)

Down in the darkness
Beneath the light
Meet on the hunting grounds, down
Down in the shadows
Become the night
Meet on the hunting grounds, down
If one of us is going down (one of us is going down)
I say, let's do this anyway (let's do this anyway)
If one of us is going down (one of us is going down)
I say we do this anyway

On the hunting grounds
On the hunting grounds
(One of us is going...
One of us is going...)
Down!

(One of us is going...)

Down in the darkness (darkness)
Beneath the light (beneath the light)
Meet on the hunting grounds, down
Down in the shadows (shadows)

Become the night (the night)
Meet on the hunting grounds, down
If one of us is going down (one of us is going down)
I say, let's do this anyway (let's do this anyway)
If one of us is going down (one of us is going down)
I say we do this anyway
On the hunting...

On the hunting grounds
