You are the sunshine of my life another Shakespeare of your time  
You're like a ribbon in the sky you are a poet's endless rhyme  
You take me to a higher ground then you knock me off my feet  
Lately I been thinking 'bout you, cause you been creeping in my dreams

You inspire me the way you make me feel inside is amazing  
Your honesty your artistry is engaging  
You are everything I hope to be

You have touch my soul I want you to know you are my hero  
You got so much soul to put it plain and simple you are wonderful

I am the woman in red, I am girl blue, I am the black or I am a golden lady too  
You bring the music of your mind to elevate human kind  
That's why I share my emotions with inner visions I explode

You inspire me the way you make me feel inside is amazing  
Your honesty your artistry is engaging  
You are everything I want to be

You have touch my soul I want you to know you are my hero  
You got so much soul to put it plain and simple you are wonderful

You so beautiful  
Yeah  
You are wonderful  
You are beautiful  
You are powerful  
You have touch soul  
And I just want to say  
You have touch my soul  
In such a special way
