

# Burning Up

Infernal

Uuuuhh you've got me running around  
Burning up, I keep burning up  
Uuuuhh you've got me running around  
Burning up, I keep burning up

'Cause you're cool  
Looking hot  
Baby oh you're burning  
Me up  
Like a lot  
Uh, I can't control it  
Oh boy  
Won't you stop?  
I feel like you stole it  
I can't live without my heart  
- don't take it away! oh oh

But you please me  
When you tease me  
And I just want more!

Uuuuhh you've got me running around  
Burning up, I keep burning up  
Uuuuhh you've got me running around  
Burning up, I keep burning up

1, 2, 3, it's time for me to be burning up!  
I keep burning up  
4, 5, 6, I love your licks and I'm burning up!  
I keep burning up

Can't deny  
It's a fight  
Uhh it's all a battle  
To get  
With you right  
You really got me going  
And my  
Mind is set  
On seeing something growing  
But when you touch and play  
You never go all the way, oh no!

But you please me  
When you tease me  
And I just want more!

Uuuuhh you've got me running around  
Burning up, I keep burning up  
Uuuuhh you've got me running around  
Burning up, I keep burning up

1, 2, 3, it's time for me to be burning up!  
I keep burning up  
4, 5, 6, I love your licks and I'm burning up!  
I keep burning up

Uuuuhh you've got me running around  
Burning up, I keep burning up  
Uuuuhh you've got me running around  
Burning up, I keep burning up

1, 2, 3, it's time for me to be burning up!  
I keep burning up  
4, 5, 6, I love your licks and I'm burning up!  
I keep burning up
