Because I listen to my heart beat one by one
Because I listen to my heart

Heart heart to to my heart heart

If I can't get you no matter how hard I try
You aren't the one, i feel like a beggar
I-I, can't let you go like this, its suffocating
And I don't know what to do

Why Why ... Why Why ... Why Why ...

Before the dawn.. Before the dawn..
My heart isn't obsessed
Before the dawn.. Before the dawn..
I want to capture you no matter what

Those two lips that whispered love
Those two eyes that close at the right chance
The sides fly to me heart,
I'll be there by you side (huh)

I became used to only looking at you
Lingering around you, I feel like a beggar
I want to let go of everything now, and thats suffocating
And I don't know what to do

Why Why ... Why Why ... Why Why

Before the dawn.. Before the dawn..
My heart isn't obsessed
Before the dawn.. Before the dawn..
I want to capture you no matter what

Without knowing, I step on your shadow
I'm probably gradually getting crazier
(Because I listen to my heart beat one by one)
To my eyes that sees everything to be dark,
You're the only one that shines brightly
(Because I listen to my heart heart heart)

Before the dawn (ye ye ye)
Before the dawn (ye ye ye)
I'll stop you before its too late
Before the dawn (ye ye ye)
Before the dawn (ye ye ye)
I want to have you in the end no matter what

(Before the dawn)
Close your eye and close your mind,
Your road thats covered with veils
I want to protect you from a future
That seems to be captured in secrets
Because its, you must love me
(Before the dawn)
I'll hold on tightly so you can't leave
I'll grab onto you so I won't have to cry
No matter how many times you throw me away,
Or how much you prevent it, I'm never going to let you go
