

Well, I still love the girl from Hennipen
Even though I'll never see her eyes
I love those liquid eyes
And I still love the girl

Time and time again
I'll see her in my dreams

Time and time again
I'll see her in my dreams
Time and time again
Time and time again

Well, I still love the girl from Hennipen
Even though I'll never see her eyes
I love those velvet eyes
Those eyes won't leave my mind

Just for one night
And now I'll miss her my whole life
Just for one night
Just for one night
