

# Extraordinary Popular Delusions and the Madness of Crowds

## Information Society

How do I feel about being a member of the Information Society..

.

That's a difficult question because I didn't know we were in the Information Society, uh...

By Information Society I presume you mean computers and so forth? I think it's terrific!

Who is like unto God?

The dollar is our God

Hell, you don't know where I'm at, you couldn't possibly know where I'm at, it's too damned awesome

Love it, love it, want it

Love it, love it, want it

Damned awesome

Bourgeois indulgent rich suckers

Somebody gonna have to tell the truth and I'm gonna tell it

Love it, love it, want it

Love it, love it, want it

Damned awesome

Love it, love it, want it

Love it, love it, want it

(Damned awesome)

I could take care of every woman in this room tonight
