

It's so unfair
It's such a shame

It's so unreal
It's so insane
That a love like ours
Would ever have to fade
It's so unfair
It's such a shame
This love of ours

Don't you know
That we don't have to let this go
I could let you be free
You could do the same for me
And I know that you know
This is our love

It's so unfair
It's such a shame
This love of ours
Will never be the same
It's so unreal
It's so insane
That a love like ours
Would ever have to fade

I don't wanna get you down
'Cause I want you to stay around
I need more than you reveal
'Cause I just want to make you feel
Free

I know it's tough
Still we haven't tried enough
Come on please don't give up
All we need is a little time
Just keep an open mind
I can show you another way

I just wanna let you know
I need more than what you show
Words can never say what's real
'Cause I just wanna make you feel

There was a time it seemed that every door was open
There was a time it seemed the world was blue and green
There was a song we used to sing when we're together
There was a song we'd sing of how it used to be

I don't wanna get you down
'Cause I want you to stay around
I need more than you reveal
'Cause I just want to make you feel
I just wanna let you know
I need more than what you show
Words can never say what's real

'Cause I just wanna make you feel
Free
