

## Going, Going, Gone

Information Society

Sometimes looking back I can't  
Believe how many times I left her.  
I guess it's all part of the game  
That we play.

All is fair in love and war,  
But in this case they're quite the same thing.  
What's the difference if I go  
Or if I stay?

I tried to tell her  
I was not the only one to turn to,  
But she was indifferent to my pleas.  
And now she's  
Going, going, gone.  
And I did nothing wrong.  
But she's going, going, gone.

If I disappeared tonight,  
It would not change her mind about me.  
She's in love with someone who has changed  
Since that day.

She tried to tell me  
I was not the only one to turn to,  
But I won't get down on my knees.  
So she's  
Going, going, gone.  
And I did nothing wrong.  
But she's going, going, gone.
