

Hack 1

Information Society

What ein...
What you gon' play now

What you gon' play now

What what what what
What what what what
What what what what
What what what what
What ein...
What you gon' play now

Ein ein ein ein...

Four and three and

Yeah!

Center stage on the mic!
What what what what
What what what what
What what what what
What what what what
What ein...
What you gon' play now

What ein...
What you gon' play now

What you gon' play now

What what what what
What what what what
What what what what
What what what what
What ein...
What you gon' play now

Yeah!

Center stage on the mic!
What what what what
What what what what
What what what what
What what what what
What ein...
What you gon' play now

Do you understand
I can make you all go away, any time I want to
