

Jonestown

Information Society

Call your friends and let's go down, down, down
I can guarantee there will be no one else around
Your despair it has a sound, sound, sound
Symphonies of hope come crashing to the ground

How does it feel
There's still some life to steal
Down in Jonestown
Down in Jonestown

You and I will find a way, hey, hey
Put the car in overdrive and leave today
Don't believe the words that people say, hey, hey
Put your faith in me, and I'll teach you how to pray

How does it feel
When you've got to kneel
Down in Jonestown
Down in Jonestown

"Same old story all over again
Everywhere the same story
Same story everywhere
Of machines... and of men!
Same old story all over again
Everywhere the same story
Same story everywhere
Why bring that up again?"

How does it feel
Life is so unreal
Down in Jonestown
Down in Jonestown
Down in Jonestown
Down in Jonestown
Down in Jonestown
