

# Lay All Your Love On Me

Information Society

You werent jealous before we met  
Now every woman you see is a potential threat  
Now you're possessive, it isn't nice  
You used to say that smoking was your only vice

But now it isn't true  
Now anythings new  
And all I've learned  
Has overturned  
What I think of you

Don't go wasting your emotion  
Lay all your love on me

I used to think love was sensible  
It makes the truth even more incomprehensible  
I still don't know what youve done to me  
A grown-up boy should never fall so easily

I feel a kind of fear  
When I don't have you near  
Unsatisfied  
I swallow my pride  
I beg you, dear

Don't go wasting your emotion  
Lay all your love on me  
Don't go sharing your devotion  
Lay all your love on me

Don't go wasting your emotion  
Lay all your love on me  
Don't go sharing your devotion  
Lay all your love on me
