

Always On My Mind

Inna

You're always on my mind

I swear I've been down this street before
I recognize all of the red lights
Why I keep on coming back for more?
I don't know why I do this to myself

I think with my heart, I love with my head
Oh, na-na-na-na
I don't wanna add another regret

You're always on my mind
Like every single night, I
Try to say goodbye, bye
You're my favourite lifeline
I need all the time, I
Try to say goodbye, bye
But you're always on my mind

But you're always on my mind
But you're always on my mind
Why I always see your silhouette
In strangers I don't even recognize
Scared of things that haven't happened yet
I don't know why I do this to myself

I think with my heart, I love with my head
Oh, na-na-na-na
I don't wanna add another regret

You're always on my mind
Like every single night, I
Try to say goodbye, bye
You're my favourite lifeline
I need all the time, I
Try to say goodbye, bye
But you're always on my mind

But you're always on my mind
But you're always on my mind

I think with my heart, I love with my head
I don't wanna add another regret
You're my favourite lifeline
I need all the time, I
Try to say goodbye, bye
But you're always on my mind

But you're always on my mind
But you're always on my mind
