To let go of my baby

I must of been crazy

I must have been foolish But how could I be such a fool to let you get away But why did I do it 'Cause now I'm lonely oh baby what can I say I want you I need you I love you Come back to me precious love In good times I'll be your sunshine No more bad times Come back to me my love My friends tried to tell me That you were the man of my dreams you should be in my life But I didn't listen And you're the only man for me and now my heart is broken in pain It's taking over me 'cause I want your love in my life It's something that I need And now I'm crying Oh Precious love Come back to me my love I want you I need you I love you Come back to me precious love In good times I'll be your sunshine No more bad times Baby I want you I need you I love you Precious love In good times I'll be your sunshine No more bad times Must of been crazy To let go of my baby To let go of my baby Yeah yeah yeah Must of been crazy To let go of my baby To let go of my baby Yeah yeah yeah yeah Must of been crazy

To let go of my baby Come back to me my love

I want you
I need you
I love you
In good times
I'll be your sunshine
No more bad times

I'll be your shining star
I'll brighten all your skies
And if you'll love me baby

Come back to me precious love Don't let me cry
Come back to me my love
