

## Dog Catchers

Insane Clown Posse

Yeah bitch!

You's a glorified snitch, with a nuclear mullet  
I got the name "DOG", engraved on my bullets  
Your wife looks like "The Wrestler", with fuck fake pumpkins  
She look like the type that like to give you a blumpkin  
Your kids are on meth and you got crank breath  
I wish you'd come for me, I'd introduce you to the DEATH (Pop!)  
Fuck your damn lecture, I'm the Dog catcher  
Come to the "D", I'll bet you leave on a stretcher

Bigot hoe, racist fool, pedophile namin'  
Rollin' in a dumb "V", and late on the payment  
Arresting drunk fucks for twenty five bucks  
Wearing night time sleeveless t-shirts cuts  
Sucks to be you, a fake Rambo with no gun  
Not even a stun one, you're not in the run  
From yellin' stop no don't, to dead by the road  
You'd best just go home and score a bong full of dope

Man, fuck your advice, who wanna listen...STALE  
To a fuckin bigot snitch on your way to jail  
I heard you got arrested and raped in Mexico  
The way your blonde wig flow, they did you like a hoe  
Who would be surprised if your wife had a dick?  
Not me!, I half way expect that shit  
Just the way you like it, Thundercat hairstyle  
Dog the bigot bitch, found dead on 8 mile

Get a job at Walmart, hall security guard  
You can have more jurisdiction, and act just as hard  
Quit chasing bail jumpers, jay walkers and drunks  
Before you get your head blown off, into skull chunks  
You ain't a cop, you's a flop, get the fuck out off my block  
You're a racist, you can fucking suck off my cock  
Bounty hunter, you want bust me?, I'll bet ya  
Quit directing, motherfucker hoe

I'm the Dog Catcher
