## **Hell's Forecast**

## **Insane Clown Posse**

Something has woke my a thump on my roof, it was followed by cr ashing, more thumping ensued I jumped out of my bed thinking I'd been invaded, heard smashin g, more pounding, the sound escalated Looked out of my window, blood dripped down thy glass, I see bo dies lay twisted and mangled on grass, I ran into thy main room and Shaqqy was dead, so was Nate the M ac, Jumpsteady and ABK Bolted out of thy house to see if it's a joke, I heard hundreds of car alarms, saw flames and smoke and thy sky above red, I see dead bodies fallin' it's raining w ith corpses thy blood is appalling Mama told me when it rains - IT POURS, but never mentioned Dead Bodies - DEAD BODIES Mama told me when it rains - IT POURS, La de da da de la da de DEAD BODIES I never seen so many.... horrified looks on people's faces... (Thy blood is appalling) I hope I never see what all them people saw... and put them in there places... (Thy blood is appalling), The sun was so hot... So hot... I was burning... Yeah Dead bodies lay randomly some stack in piles, on all of there f aces pour horror, no smiles I see children, and elders, and ninjas my age, all lay naked an d mangled, most withered for days, I found safety a shelter I'm under a tree; only fingers and org ans come falling on me, I lay sleepless for days as thy raining continued, thy heat of thy sun baking corpses like food Then it finally stopped I walk knee deep in blood, over piles o f bodies threw what was my hood It was right at that moment thy Wraith had appeared, and thy me ssage it left me might sound kind of weird But take all that I'm seeing and opposite that, truth is I'm th y one dead and this is my Hell's Pit
