You know Jamie Madrox rapped about something like this only I n
ever really thought about how horrible it really is, laying in
a coffin, in a pine black box, the only sound being that of my
heart if Im alive.

But I've got no pulse of ever-breath for days I remember the cr
ash and after that it's a haze, but I do recall thy funeral, th
em lowering me in, it was about that time when my soul kicked b
ack in, I tried to move my fingers or somethin', got nothin but
dirt hitting the top from them shoveling, I'm fucked.

It's been at lease two weeks but I don't keep time, I just lay
herre motionless in this rotting body of mine, I tried fantasy
realms and dreaming my way out, it only leads to mind panicking
and torturing thoughts about running and breathing will it eve
r really happen again, please God, heaven or hell just let some
thing begin

Am I asleep or not, I
Don't know,
My body is rotting and I feel pain,
Gimmie to heaven or hell but don't leave me dead inside this th
ing,
My body wont let me go
LET ME GO
Let me go
GO

My body wont let me go

LET ME GO

Let me go

GO!

Am I asleep or not, I don't know,

My body is rotting and I feel pain

Gimmie to heaven or gimmie to hell but don't leave my dead inside this thing,

No!

Am I asleep or not, I don't know,

My body is rotting and I feel pain

Gimmie to heaven or gimmie to hell but don't leave me dead inside this thing,

My body wont let me go

LET ME GO

Let me go

GO

My body wont let me go

LET ME GO

Let me go

GO!
